# Reintroducing N-Scale

Thrall 2743 Gondola, Trinity 50' Hy-Cube Box Car & Evans-USRE 5277 Box Car (Early) in N-Scale.

- **November:** ExactRail releases the B&O M-53 Wagontop Box Car. The earliest built car the company has released to date.
  - **December:** Thanks to our customers, ExactRail has another record year.
  - **January:** ExactRail releases the N-Scale Trinity TRINCool 64' Reefer with body mounted draft box, coupler cut levers and Micro-Trains® Couplers.
